

WHAT IS IT?

A video summary of the "Leader in Me" core concepts based on the 7 habits of highly effective people and with hand motions to make it easier for kids to remember and teachers to reference in class.

IMPACT?

Whether or not your school is officially a "leader in me" / 7 habits school it is a concise video that quickly introduces elementary age students to the 7 habits and can serve as a discussion prompt for educators to get their scholars thinking about how to implement them at school.
